Craft Ingredients

Standardized Fruit Extracts for Nutraceutical Formulation

We offer high quality extracts, standardized to polyphenols and anthocyanins from a variety of European fruits such as elderberry, tart cherry, black currant, aronia, and bilberry.

They are versatile and can be used to enhance dietary supplements, OTC products, functional foods and beverages.

craft-ingredients.info

Our product line stands out through the integration of our proprietary IPT (Iprona Polyphenol Technology), ensuring high-potency extracts by preserving the natural polyphenol profile of fruits **without solvents**.

This commitment is matched by our dedication to European traceability, guaranteeing that each ingredient is of the highest quality and ethically sourced within Europe. The efficacy and health benefits of ElderCraft®, CherryCraft®, CurrantCraft® and AroniaCraft® are clinically proven, offering our customers scientifically validated solutions for health and wellness.

These elements define our CraftIngredients, offering unmatched quality and authenticated effectiveness.

- **IPT Technology**
- **European traceability**
- **Solvent free**

Brand	Botanical origin	Standardisation	Benefit	OA	CF
ElderCraft® European Black Elderberry Extract					
15%	<i>Sambucus nigra</i> (L.) fruit	≥ 15% anthocyanins ≥ 18.6% polyphenols ≈ 10.8% elderberry fiber	immune support, anti-viral, prebiotic	●	●
14%	<i>Sambucus nigra</i> (L.) fruit	≥ 14% anthocyanins ≥ 18% polyphenols ≈ 10.6% elderberry fiber	immune support, anti-viral, prebiotic	●	
10%	<i>Sambucus nigra</i> (L.) fruit	≥ 10% anthocyanins ≥ 13.6% polyphenols ≈ 7.7% elderberry fiber	immune support, anti-viral, prebiotic	●	
7%	<i>Sambucus nigra</i> (L.) fruit	≥ 7% anthocyanins ≥ 8.4% polyphenols ≈ 5.2% elderberry fiber	immune support, anti-viral, prebiotic	●	
4%	<i>Sambucus nigra</i> (L.) fruit	≥ 4% anthocyanins ≥ 5.4% polyphenols ≈ 3.1% elderberry fiber	immune support, anti-viral, prebiotic	●	
HighFiber 7%	<i>Sambucus nigra</i> (L.) fruit	≥ 7% anthocyanins ≥ 8.4% polyphenols ≈ 43% elderberry fiber	immune support, anti-viral, prebiotic	●	
HighFiber 4%	<i>Sambucus nigra</i> (L.) fruit	≥ 4% anthocyanins ≥ 5.4% polyphenols ≈ 54% elderberry fiber	immune support, anti-viral, prebiotic	●	
Q-Complex	<i>Sambucus nigra</i> (L.) fruit <i>Cinchona spp.</i> bark	≥ 13% anthocyanins ≥ 18% polyphenols ≥ 8.5% quinine	immune support, anti-viral		
Flos Liquid	<i>Sambucus nigra</i> (L.) flowers	≥ 0.1% polyphenols	anti-inflammatory, antioxidant	●	●
3.2% Liquid	<i>Sambucus nigra</i> (L.) fruit	≥ 3.2% anthocyanins ≥ 4.2% polyphenols ≈ 2.7g elderberry fiber	immune support, anti-viral, prebiotic	●	●
DualDefence	<i>Sambucus nigra</i> (fruit)	≥ 7.5% anthocyanins ≥ 9.3% polyphenols ≈ 50% iota carrageenan	anti-viral (for Lozenges)		●

CherryCraft® European Tart Cherry Extract					
14%	<i>Prunus cerasus</i> (L.) fruit	≥ 3% anthocyanins ≥ 14% polyphenols	anti-inflammatory, sport recovery, sleep		
9%	<i>Prunus cerasus</i> (L.) fruit	≥ 2% anthocyanins ≥ 9% polyphenols	anti-inflammatory, sport recovery, sleep		
4.5% Liquid	<i>Prunus cerasus</i> (L.) fruit	≥ 1% anthocyanins ≥ 4.5% polyphenols	anti-inflammatory, sport recovery, sleep		●

CurrantCraft® European Black Currant Extract					
11%	<i>Ribes nigrum</i> (L.) fruit	≥ 11% anthocyanins ≥ 13.5% polyphenols ≈ 20.6% black currant fiber	eye health, cognition, cardiovascular health		
8%	<i>Ribes nigrum</i> (L.) fruit	≥ 8% anthocyanins ≥ 13.5% polyphenols ≈ 15.4% black currant fiber	eye health, cognition, cardiovascular health		
2% Liquid	<i>Ribes nigrum</i> (L.) fruit	≥ 2% anthocyanins ≥ 2.5% polyphenols ≈ 3.9% black currant fiber	eye health, cognition, cardiovascular health		●

AroniaCraft® European Aronia Extract					
6%	<i>Aronia melanocarpa</i> (Elliot) fruit	≥ 5% anthocyanins ≥ 6% polyphenols	cardiovascular health, metabolic syndrome	●	
5% Liquid	<i>Aronia melanocarpa</i> (Elliot) fruit	≥ 3.45% anthocyanins ≥ 5% polyphenols	cardiovascular health, metabolic syndrome		●

BilCraft® European Bilberry Extract					
10%	<i>Vaccinium myrtillus</i> (L.) fruit	≥ 10% anthocyanins ≥ 14% polyphenols	eye health, cardiovascular health	●
