

Strong partnership creating a world of formulation opportunities.

Vision PLUS has been developed using the expertise of NAIE S.A., a proven leader in custom formulation and contract manufacturing of nutritional supplements, and Iprona Lana SpA, an expert in manufacturing polyphenol-standardised dark berry extracts.

VISION PLUS

 **BilCraft®**

 **CurrantCraft®**

Craft® ingredients are manufactured from European berries and are standardised on polyphenols, anthocyanins and a minimum polysaccharide level.

CurrantCraft® European black currant extract tackles digital eye fatigue and **BilCraft®** European bilberry extract is the modern version of the blueberries, which have been used for centuries to improve eyesight.

Manufactured in
Switzerland

COMPOSITION

455,00 mg	CurrantCraft®
200,00 mg	BilCraft®
80,00 mg	Ascorbic acid
5,00 mg	Zinc gluconate
0,0025 mg	Cyanocobalamin
1,40 mg	Pyridoxine HCl
0,80 mg	Beta carotene
16,00 mg	Niacinamide
qs mg	Gum Xanthan
qs mg	Maltodextrin
qs mg	Citric acid
qs mg	Natural flavor
qs mg	Sucralose

DOSAGE

1 stick per day

PACKAGING

4 gr / Stick

CLAIMS EFSA

- Vitamin C contributes to the protection of cells from oxidative stress
- Vitamin A & Zinc contribute to the maintenance of normal vision

PROVEN BENEFITS:

- Both, black currants and bilberries are known to improve vision and micro-circulation.
- Vision PLUS combines the best of the two best performers in the vision field.
