

ElderCraft®

FLOS liquid

European Elderflower
Water Extract
ORGANIC

From the fields of Styria, Austria

ElderCraft® FLOS liquid is a high-quality, standardised elderflower extract produced from the blossoms of *Sambucus nigra* L., grown organically and harvested by hand in Styria, Austria.

It shares the same values of traceability, purity, and quality as the well-established ElderCraft® elderberry fruit extract.

Product Features

Organic Elderflowers

Carefully hand-harvested to preserve delicate actives and aroma

Gentle Water Extraction

Solvent-free processing retains the natural character of the blossoms

Standardized Phytochemicals

Standardized to total polyphenols, containing flavonoids, and phenolic acids - offering mild antioxidant properties

Natural Sensory Profile

Light golden hue with a distinct floral taste, characteristic of fresh elderflower

Quality & Safety

Fully Traceable and Organic

Direct sourcing from organic Austrian farms.

Clean Label Composition

Water, elderflowers, ascorbic acid, citric acid - nothing more

Certified Standards

Compliant with EU organic regulations, free from allergens, GMOs, and irradiation

Pesticide and heavy metal levels within EU limits

Versatile Ingredient Use

Premium beverages

Herbal blends

Seasonal wellness products
